Buckeye State Bank Hosts Art Show for Riverside Elementary School

Powell, Ohio: March is youth art month and Buckeye State Bank thought it would be a great opportunity to work with Riverside School to showcase the art of elementary students. Local students' artwork will be on display at the DeGraff Branch of Buckeye State Bank (BSB) starting March 14th through the end of the month.

"Art is an important part of creativity and learning for children. We wanted to recognize the efforts of the children and provide them with a place that their art could be displayed for the whole community to enjoy", said Cheryl Ryan, branch manager at Buckeye State Bank.

BSB worked with Riverside Elementary art teacher Abby Steinke to collect artwork from various grade levels. The artwork was all created during the winter months and the theme was to create something each student loved.

"We appreciate Buckeye State Bank for suggesting this fun opportunity for children to be recognized for their artistic abilities. They have been a longtime partner with Riverside and the community in general," Steinke said.

On the evening of March 15th, the Principal, teachers, students, and proud parents were welcomed to admire the children's artwork. The exhibit contains over 200 pieces of art from grades K - 6th.

We invite everyone to stop by the branch at 101 N. Main St in DeGraff to enjoy the talent of these young artists. "This program is just one example of our commitment to the local communities that we serve", said Shawn Keller, President and CEO. "We hope that we can expand upon this program in our other communities and make this into an annual event."
