PIONEER MORTGAGE TEAM JOINS BUCKEYE STATE BANK

February 6, 2018

Buckeye State Bank (“BSB”) is pleased to announce and welcome Glenn Wheeler and TJ Orr, owners of Pioneer Mortgage Company in Plain City, Ohio.

Glenn and TJ have joined BSB’s growing mortgage division. They bring over 13 years of mortgage experience in FHA, VA, Jumbo and Conventional financing. Together they have provided over \$100 million in home loans to Central Ohio residents. Glenn joins the sales team as Vice President and Mortgage Loan Officer, and TJ as Assistant Vice President and Residential Underwriter.

Glenn said “I am excited to see what TJ and I started so many years ago evolve into something bigger and better for our loyal customers. It was important for us to find the right business partner that had the same concern for each and every customer, and we have with Shawn and the BSB team.”

BSB CEO Shawn Keller commented “Glenn and TJ are what community banking is all about – working with local people to help their home ownership dreams come true. In a world where most big banks consider the average customer just a number, Glenn and TJ share the same local, honest and kind values as Buckeye State Bank.”

TJ stated “We weren’t looking to join with just anyone, but when we realized the additional product offerings we could bring to our customers, combined with the same value system we founded Pioneer Mortgage upon, Glenn and I realized Buckeye State Bank was a perfect fit.”
